

RALLY PROTESTA

OCTA still plans to cut:

- All 24-hour service (Night Owl)
- All service to Downtown Long Beach
- Service frequencies

They will reduce your bus service by 25%, while expanding freeways (the 22, 57, 91, and 405) that don't benefit you. They may also raise bus fares.

Join us **this Thursday** for a rally to call attention to our huge bus service cuts. Bring as many friends and bus riders as you can so we can let people know how important this is. We will be letting people know about the cuts, encouraging people to attend the June 8 OCTA board meeting vote, and advocating for more bus funding.

OCTA todavía planea cortar:

- Todo el servicio de 24 horas (Night Owl)
- Todo el servicio a Long Beach céntrica
- Frecuencias de servicios.

Reducirán su servicio de autobuses por el 25%, mientras que amplían las autopistas sin peaje (los 22, 57, 91, y 405) ese usted no puede usar. Pueden también levantar precios de autobús.

Ensámblenos **este jueves** para una protesta, y traiga atención a nuestros cortes enormes del servicio de autobuses. Traiga tantos amigos y jinetes de autobús como usted puede así que podemos dejar a gente saber importante es esto. Dejaremos a gente saber sobre los cortes, atender al voto de los oficiales de OCTA del 8 de junio, y la abogaremos para más financiación del autobús.
